Propositions Are Being Considered at Big National Meeting.

Delegates to Hibernian Gathering Are Having Busy Week.

Archbishop of Portland Opened Proceedings With Mass.

MANY SOCIAL ATTENTIONS PAID

The forty-seventh national convention of the Ancient Order of Hibernians began its sessions at Portland, Ore., on Tuesday, and it is expected that all business will be concluded by tomorrow. Hundreds of delegates from various parts of the United States are in attendance. The convention opening was preceded by Pontifical mass at the Portland Cathedral at 9 o'clock Tuesday morning. The Most Rev. Archbishop Christie was celebrant, and the sermon was preached by the Right Rev. John P. Carroll, Bishop of Helena, Mont.

After mass the delegates proceeded to the convention hall and heard an address of welcome from P. E. Sullivan, of Portland. National President Matthew Cummings responded on behalf of the delegates. Soon thereafter the delegates got down to business. Portland people are lavish in furnishing entertainment and dispensing hospitality to the visitors. The Ladies' Auxiliary is also holding its National convention at Portland.

The Hibernians assembled in the Far Northwest have several important matters to consider as well as a multitude of minor subjects. One big proposition is that which would unite the United Irish League, the Sinn Féin, the Gaelic League and the Ancient Order of Hibernians. All of these societies are working for the same end, home rule and liberty for Ireland, and the betterment of her people at home and abroad.

Another big proposition that the delegates are considering is a movement to induce the able-bodied Irish people to leave the congested cities and take up agricultural pursuits. At present the people are engaged in agricultural, and where they have made it pay. The Hibernians believe that many more of their countrymen would become prosperous did they seek life on the farm.

Still another big matter before the Hibernians is the proposition to organize a National Hibernian Insurance Society, and one that would make it compulsory on every Hibernian to become a member of the insurance branch of the order.

The election of National officers of both the Ladies' Auxiliary and the Ancient Order of Hibernians will probably take place today. There will doubtless be a spirited contest for the Presidency of the A. O. H. Massachusetts has given its solid endorsement to Matthew Cummings for reelection as National President. Pennsylvania and other State are backing favorite sons. The South wants at least one member on the National Board of Directors.

On Tuesday evening the visiting delegates were given a reception and ball, and on Wednesday evening were guests at a banquet in the Armory. An orchestra of thirty-one pieces and a trained chorus of 100 voices rendered Irish National airs during the feast. Dr. Andrew C. Smith was the toastmaster, and among those who responded to toasts were Archbishop Christie, National President Cummings, Prof. M. G. Rohan, Miss Anna C. Malia, Rev. Father P. C. Kehan, Dr. J. C. Monahan and E. E. Ryan Jolly.

Thursday evening there was a street parade. Yesterday was a day with business. Today the feature will be a sunset trip to the Columbia river.

The reports of the national officers say that the order has made substantial progress, having increased membership many thousands, and winning a gain of over \$500,000 in property.

National President George J. Butler County President P. J. Welsh, represent Kentucky interests at the National convention, reached Portland on Monday. Since then they have been among the busiest of delegates.

The Rev. John T. Driscoll, S. T. L., of Fonda, N. Y. On Monday and Tuesday Miss Alma Grafe, of Philadelphia, will give violin recitals. On Thursday and Friday Dr. J. F. Reilly, of Binghamton, will speak on St. Peter's and the Vatican. The course in education will be continued next week by the Rev. William Turner, D. D., Professor of Philosophy at the Catholic University, who will expound as his general thesis the history of education.

GEORGE J. BUTLER, State President and Delegate to the Hibernian National Convention.

FATAL INJURIES

Sustained by Deputy Sheriff in Electric Car Accident.

Every Hibernian in Louisville was shocked and grieved Wednesday to learn of the unforeseen death of Deputy Sheriff John Cronen, which occurred at Sts. Mary and Elizabeth Hospital at 6:30 o'clock that morning. Soon after midnight on Tuesday Mr. Cronen fell in front of a street car on Bank street, near Twenty-ninth. The car struck him, breaking one of his thigh bones and inflicting numerous cuts and bruises. The injured man was removed to Sts. Mary and Elizabeth Hospital. There he received the last sacraments and died about five hours later.

Although a native of Jefferson county, Kentucky, John J. Cronen was intensely Irish. His hand was ever in his pocket for the Irish cause and other charities. He had nothing but contempt for the Irishman who was a renegade from Nation or Church. For twenty years he was engaged in the electrical contracting business. Last January he was appointed a Deputy Sheriff, and was filling that position when he met with the accident that resulted in his death.

The deceased is survived by his wife and four children, all of whom resided with him at 2827 St. Xavier street. The children are John, James and Thomas Cronen, and Miss Stella Cronen. A brother, James Cronen, also survives. Mr. Cronen was a member of Division 1, A. O. H., of Louisville Council Knights of Columbus, and of the Pathfinders. Many sorrowing friends attended his funeral, which took place from St. Cecilia's church yesterday morning.

SPECIAL FAVOR

Pope Pius Extends Benefits of Portiuncula Indulgence.

His Holiness Pope Pius has granted additional privileges this year to those desirous of obtaining the Portiuncula Indulgence. These special privileges are granted in honor of the seventh centenary of the Franciscan order. By a motu proprio the Pope indorses all the concessions of indulgence to privileged churches, and he grants faculty to all ordinaries to appoint in their respective jurisdictions one or more church oratory where the faithful, having duly confessed and approached the holy table and praying for the Pope's intention, may gain the toties quoties plenary indulgence applicable to the souls in purgatory.

In other words, a person having received the sacraments of penance and holy eucharist can gain a plenary indulgence every time he visits the privileged church from the vesper hour on August 1 until daylight ends on August 2. Pope Pius goes even further and allows the same privilege on the succeeding Sunday, but with the provision that the indulgence can be gained only once between the vesper hour on Saturday and sunset on Sunday.

MATRON MOURNED.

The whole Catholic community regrets the death of Mrs. Josephine S. Echnor, which occurred at a private residence, Hancock and Jefferson streets, on Monday afternoon. The deceased was the beloved wife of Ferdinand J. Echnor and was forty-eight years old. Death resulted from tuberculosis. Mrs. Echnor had been ill six months, but bore her sufferings with heroic Christian fortitude. She is survived by her husband, six children, three brothers and three sisters. The funeral took place from St. Boniface's church on Wednesday morning, and was very largely attended. The deceased was a devoted wife and mother and devout Christian.

SEVENTH

Centenary of Founding of the Franciscans to Be Observed.

Feast of the Portiuncula Means Much to the Zealous Friars.

Preach Peace, Charity and Good Will to Entire World.

ORDER WELL REPRESENTED HERE

This year is the seventh centenary of the founding of the Franciscans, and the big religious celebration of the day will be held on Tuesday, August 2, which will also be the feast of Portiuncula. There are two branches of the Franciscan fathers in Louisville, the black and the brown. The former belong to the Order of Minor Conventuals, while the latter are called Order of Friars Minor. Both are followers of the rule of St. Francis of Assisi.

St. Francis was born at Assisi, Italy, in 1181. Although the son of parents in affluent circles, he broke with the world at an early age, and when he was only twenty-five years old he had begun to live a life of poverty and humility. For several years he lived in a cottage at Assisi and passed his time in almost continual prayer accompanied by severe bodily discipline. In 1209 Bernard of Quintavalle, a rich merchant of Assisi, and Peter of Catana, a canon of the Cathedral of the same city, who had long witnessed and admired the heroic virtue of the saint, openly joined themselves to him. This is considered the real beginning of the Franciscan order.

But in the following year, 1210, St. Francis went to Rome to obtain the confirmation of his rule. The Pope at that time was Innocent III. At the first interview with Francis the Pope rejected the saint's petition. Francis humbly withdrew, but the same night the Pope dreamed that he saw a palm springing up from the ground between his feet and grow gradually until it became a great tree. At the same time was borne in upon his mind an impression that by this palm tree was designated the poor petitioner whom he had repelled the day before. Pope Innocent ordered that Francis be brought before him again. In simple language the young saint expounded before the Pope and Cardinals his aims and object, his desire to preach and labor for the conversion of souls, and to bring sinners to repentance.

Several of the Cardinals thought the poverty prescribed by the rule of St. Francis was too great, but Pope Innocent gave the young man his verbal approbation, and it is this event that the Franciscans will celebrate this year. The verbal confirmation of the rule of St. Francis was solemnly ratified by Pope Honorius III, in 1223. St. Francis died in 1226. One of his admonitions to his followers was this:

"Let your behavior in the world be such that everyone who sees or hears you may praise the heavenly Father. Preach peace to all, but have it in your hearts still more than on your lips. Give no occasion of anger or scandal to any, but by your gentleness lead all men to goodness, peace and union. We are called to heal the wounded and recall the erring. For there are many who appear to you limbs of the devil, who will be one day disciples of Jesus Christ."

The Order of Friars Minor, which name St. Francis chose for his institute, waxed and grew strong. He saw branches established in various parts of Italy, in Spain, Germany, England and Ireland. At the first general chapter, which was held at the Portiuncula in 1213, no less than 5,000 Friars were present. No order in the Church has surpassed the Franciscans in their zeal for the propagation of the faith. By a bull of Pope Clement VI, in 1342 the guardianship of the holy places at Jerusalem was committed to the care of the Franciscans, a privilege which they still retain.

Louisville is fortunate in having four churches presided over by followers of St. Francis. The Brown Franciscans are in charge of St. Boniface's and St. Joseph's churches, and also maintain St. Boniface's monastery. St. Anthony's and St. Peter's churches are in charge of the Black Franciscans. The order of St. Francis has given five Popes, more than fifty Cardinals and many Bishops and Patriarchs to the Church.

The Portiuncula Indulgence takes its name from one of the churches at Assisi. There, according to common tradition, Jesus Christ appeared to St. Francis in 1221 and bade him go to the Pope, who would give a plenary indulgence to all sincere penitents who should devoutly visit that church. Two years later Pope Honorius III, granted the indulgence. In 1622 the indulgence was extended to all churches that observed the rule of St. Francis. Later still the indulgence was granted to all churches in which the third order of St. Francis was canonically established.

CATHOLIC WOMEN.

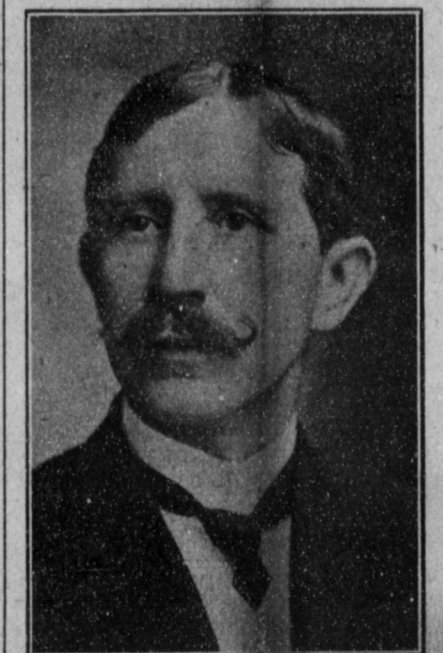

More than 3,000 delegates and

many visitors, representing 125,000 Catholic women, in all parts of the United States, are assembled in Cleveland at the triennial national convention of the Ladies' Catholic Benevolent Association. The convention was formally opened Tuesday morning with high mass in St. John's Cathedral. Business sessions are being held in the Chamber of Commerce auditorium, and will occupy all of next week. Great interest centers in the election of a President to succeed Mrs. McGowan, who has held the office since the foundation of the order, but declines to serve any longer.

VINCENTIANS.

Will Hold General Meeting and Receive Communion Tomorrow.

Tomorrow will be the general communion day for the various local conferences of the St. Vincent de Paul Society. The members will receive the holy sacrament at the 7:30 o'clock mass at the Cathedral. The day will be the festival day of the society, and every Vincentian is urged to approach the holy eucharist at 3 o'clock in the afternoon the general meeting of the society will be held in St. Francis' Hall, in the basement of the Cathedral. The Right Rev. Bishop O'Donoghue and the general officers desire a full attendance at this meeting.

D. J. COLEMAN, Energetic Worker for Monday's Hibernian Outing.

WOMAN'S RIGHTS.

Archbishop Mesmer Gives His View On Modern Question.

Most Rev. S. G. Mesmer, D. D., Archbishop of Milwaukee, delivered the opening lecture of the season at the Western Catholic Chautauqua, on Oconomowoc Lake, Wisconsin. His subject was "Woman's Rights."

In his discourse Archbishop Mesmer said the modern "Woman's Question" was an outcome of the French revolution. In his opinion the question of woman's rights was a religious as well as a social nature.

"Rights of persons are determined absolutely by the purpose of the being in question," said the Archbishop, "and the point then arises, what is the purpose of the two sexes; what is the difference? We must come back to the Creator for the answer. Religion gives us the only true answer. The theory that demands equal rights must be denied absolutely," said the Archbishop. "It is a mistake to say equal rights instead of similar rights. Men have certain rights that women have not, and women have certain rights that men have not. No one can interfere with the rights given women by Almighty God."

"Why should women claim equal rights when it comes to a question of politics?" asked the Archbishop. "What does politics mean—politics means the governing and ruling of nations, and no one who understands this would demand equal rights. It would interfere with woman's calling, which makes her queen of the household. It would destroy her female character and destroy her influence on mankind."

He declared that the true solution of the woman's question may be found in religion. Hear him: "Through the sacred scriptures runs the law that woman is subject to man, and, therefore, man takes the principal part. As he is the head of the family, man must take the leading part and on man rests the authority of the State. Woman is not, however, considered inferior to man even though the enemies of the Church say so, for the Catholic Church teaches that woman stands equally high before God. The only difference between man and woman is the difference in their purpose or work as assigned by God. Instead of saying equal rights one should say similar rights."

PLANNING FOR BAZAR.

Arrangements for the big bazar to be given for the benefit of the Sisters of Mercy in October are progressing satisfactorily. A novel scheme to attract the charitable inclined will be the disposal of a handsome piano at one cent a chance. Combination books have been distributed. The next general meeting of the workers for the bazar will be held at St. Francis Hall at 8 o'clock on the evening of August 23.

OUTING.

The Annual Midsummer Fete of the Ancient Order Next Monday.

Music, Dancing, Refreshments and Games to Amuse.

Ladies' Auxiliary Joins Hands With Hibernians For Success.

TAKING A GLANCE BACKWARD

The annual outing of the County Board of the Ancient Order of Hibernians and the Ladies' Auxiliary will be held at Phoenix Hill Park on Monday night, and all indications point to a record-breaking crowd. Of course the smiling countenances of State President George J. Butler and County President P. J. Welsh will be missed, but those worthy officials have been representing Kentucky Hibernians in far-off Portland, Ore.

The Executive Committee that has been arranging for the outing during the past six weeks is made up of State President Butler, County President Welsh, Con J. Ford, Thomas Walsh, Patrick T. Sullivan, D. J. Coleman, John H. Hennessy and Miss Rose Sweeney. Division 1 will have charge of the refreshments. Members of Division 2 will have charge of tickets and the gate. Music and dancing will be in charge of Division 3, and the committee has engaged Prof. Dennis Collins and his orchestra. It is unnecessary to say that an excellent programme of old Irish and the latest popular American music will be rendered. Division 4 will have charge of the games and amusements.

The special picnic committee of the Ladies' Auxiliary is made up of Mrs. J. T. Bennett, Miss Fannie Kennedy, Miss Mary Corcoran, Mrs. Daniel J. Dougherty, Mrs. Rose Ansbach, Misses Julia Kelly, Julia Hession and Lillie Callahan and Mrs. Davern. The ladies are especially interested in the sale of tickets, and each division has entered a favorite daughter as a candidate for the diamond ring to be awarded the one selling the greatest number of tickets.

The candidates are Misses Katie Lally, representing Division 1; Miss Mary May Grane, Division 2; Miss Julia May Hession, Division 3, and Miss Mamie Curran, Division 4. Each candidate is striving hard, and each is receiving the hearty backing of her division. A feature of the evening will be the tug-of-war. Martin Sheehan is chairman of the committee arranging for this, and expects to present two teams of strong men. John Mulloy is chairman of the committee on Irish dances. He has secured some of the best talent in the city for jigs, reels hornpipes and breakdowns.

All the committees have done excellent work and show that the Hibernians in Louisville are working for the common weal. One committee that deserves special mention is that on advertising. It is headed by D. J. Coleman, and he has worked early and late in getting out a fitting programme, boosting the picnic through the press and talking it up to everyone.

Monday's outing will recall to many the glories of days gone by, when the Hibernians of Louisville held their summer outings at the old Woodland Garden, Floral Park, National Park and Phoenix Hill. In those golden olden days the picnics were usually held on July 4, and the rent for the parks varied from \$1,300 to \$1,800. Tickets were sold at twenty-five cents, instead of ten cents, as at the present time. Still they made more money then than in more recent years. Matthew Curran, Thomas Clines, James Rogers, John Gillen, William Hughes, John J. Barrett, Owen Keiran, John Hennessy, William Sullivan, Patrick Dwyer and many others prominent in the ranks at these outings years ago have passed to their eternal reward. While the living Hibernians are enjoying themselves at Phoenix Hill Monday night, there will be many a little group forgetting on the leaders of other days.

Everybody will be welcome at the outing, and all are assured a good time. The country store, the candy wheel and numerous other attractions will furnish amusement for all.

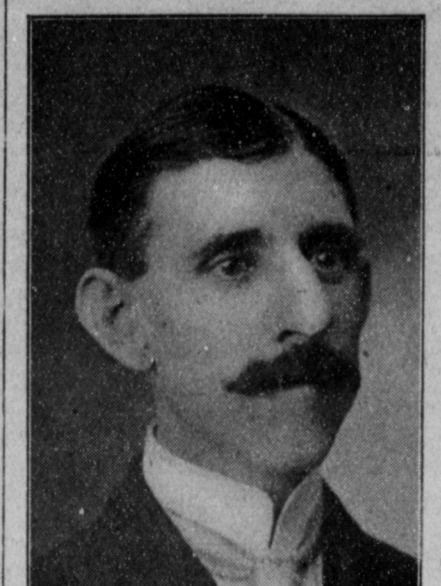

LEXINGTON.

Last Saturday Thomas McNamara, of 322 Chestnut street, Lexington, received a letter from Prosser, Wash., announcing the death there of his brother, John A. McNamara, on June 22. No particulars were given, but letters have been sent to ascertain the cause of his death. The deceased was born in Lexington about thirty-five years ago, and is survived by his brother, Thomas, and two sisters, Misses Nellie and Annie McNamara.

ST EDWARD'S FETE.

AA midsummer festival for the benefit of St. Edward's church, Jefferson Orchard, will be given at Oechsli's Orchard, on the Taylorsville interurban line, on Tuesday afternoon and evening. The Rev. Father Theodore Reverman, pastor of St. Edward's,

and his entire congregation expect many Louisville friends to attend. Cars will leave the Louisville interurban station, Green street, near Third, every half-hour, beginning at 2:20 o'clock. The cars leaving at 2:20, 3:20, etc., will be double-deckers. Refreshments of all kinds will be served, and a notable feature will be a good country supper. St. Edward's has had no picnic for two years, and the members of the congregation are very anxious to meet their old friends from Louisville.

PATRICK J. WELSH, County President and Delegate to the Hibernian National Convention.

The Young Men's Institute of Louisville will give a banquet at the Galt House on Monday night in honor of the Right Rev. Bishop O'Donoghue. Covers will be laid for 500. Mackin and Trinity Councils have united in an effort to make the affair a successful welcome for the new Bishop. Quite a number of clergy, nearly all of them members of the Y. M. I., will attend. Among them are the Rev. George M. Connor, of Owensboro; Rev. J. B. Odendahl, of Henshaw; Rev. Bonaventura Clark, O. M. C.; Rev. Seraphim Schlang, O. M. C.; Rev. J. A. O'Grady, and the Chaplain of Unity Council, New Albany. The members of Unity Council have been invited to the feast.

Father Seraphim Schlang, Rev. Father J. A. O'Grady, Louis J. Kieffer, Thomas D. Clines, Dr. A. R. Bizot, James B. Kelly, Vic K. Ecker and Dr. F. S. Clark.

SOUTH MOURNS

Untimely Taking Off of Popular Covington Priest.

The entire South mourns the death of the Rev. Father John Kyran Larkin, which occurred at Johnson City, Tenn., on Wednesday of last week. During the past three years he had been Chaplain of the Soldiers' Home at Johnson City.

Father Larkin was born in the County Limerick, Ireland, fifty-five years ago. He made his theological studies at Maynooth and was ordained in 1878. Early in the 80's he came to the United States and was for several years a professor at Mount St. Mary's, Emmitsburg, Md. Later he removed to Tennessee and took up work on the rural missions in the diocese of Nashville. Then he was brought to Memphis as assistant pastor of St. Patrick's church. From 1894 to 1907 he was pastor of St. Bridget's church. Father Larkin was worshiped by young and old, and his untimely death is a cause of sincere regret.

FORSAKE THE WORLD.

Sacred Heart Academy, on Cherokee drive, was the scene of solemn ceremonies on Thursday when several young ladies entered the novitiate of the Ursuline nuns, and twelve novices made their profession. The young ladies who received the habit of the order are Misses Helen Oberhausen, Theresa Wessel, Mildred Farnam, Josephine Petty, Elizabeth Bloom, Katie Rose Bolling and Mary Fischer. Miss Oberhausen is a niece of John H. Hennessy, President of Division 4, A. O. H.

VISITING PARENTS.

George E. Coll, former Prosecuting Attorney of the Clark Circuit Court, and a brother of Councilman Barney Coll, but now at Dallas, Texas, where he is connected with the legal department of the Missouri, Kansas & Texas railway, is in Jeffersonville for a visit to his parents, Mr. and Mrs. Maurice Coll, who celebrated their golden wedding on July 8. Mr. Coll is accompanied by his daughter.

DOWN.

The Burial Place of St. Patrick Located in Picturesque County.

Its Mountains and Hills Add to the Beauty of the Scenery.

Has Many Historic Towns and Villages Within Its Boundaries.

WHERE COL. M'ATEER WAS BORN

The County Down, Ireland, takes its name from Downpatrick, a little town near the dun or fort close to the Cathedral. Patrick was added to the commemorative of the saint's connection with it. Down from Cranfield (Point to Donaghadee is forty-nine miles long, and from Lisburn to Ardglass is twenty-five miles. It has an area of 957 square miles and a population of 272,000. To the north of Down is Antrim, while Louth is on the south, Armagh on the west and the Irish Sea is the eastern boundary. The chief physical feature of the county is the grand range of the Mourne Mountains; near the center is the much smaller range of Slieve Croob. All the rest of the country is an endless succession of cultivated hills, valleys and small plains.

Slieve Donard is 2,796 feet high and is the tallest mountain in Ulster. Its summit is only two miles from the seashore at New Castle. Other high peaks are Slieve Commedagh, Slieve Bearnagh, Chimney Rock, Slieve Bingen and Slieve Martin. The coast line of County Down, except by the deep inlet of Strangford Lough, is not much broken. For the greater part it is rocky, scarped and dangerous, having few prominent headlands and few bays or harbors.

There is quite a little archipelago in Strangford Lough, the chief of which are Mahee Island, the ancient Neudruw, on which Bishop Mahee, a contemporary of St. Patrick, established a monastery and school, and which still retains some ruins of the old buildings, including the remains of a round tower, Beagh Island, Castle Island, and Chapel Island. Belfast Lough separates Down from Antrim.

Except the Bann and the Lagan, which drain the west of the county, all the rivers are small. The Bann, rising in the Mourne Mountains, flows through Down till it enters the County Armagh, two miles below Gilford. The Lagan rises in Slieve Croob, runs through Down to Moira, and then forms the boundary between Down and Antrim for the rest of its course. Among the smaller rivers in Down are the Ravenet, the Blackwater, the Ballynahinch, the Ballyshannon, the Burren, the Annalong, the Kilkeel, the Newry, the White Water and the Narrow Water.

Newry, the principal town, has a population of 15,000, but a third of the inhabitants live in that part of the town which lies in Armagh. It is a town of considerable trade and manufacture. Down has many other historic towns, but all are small and the population sparse. Among them are Warren Point, Rosstrevor, Killeel, Newcastle, Dunadry, Ardglass, Stranmillis, Killybeg, Comber, Newtownards, Grey Abbey, Kircubbin, Ballywater, Donaghadee, Bangor and Holywood.

More important still is Downpatrick, the assize town and the burial place of St. Patrick. It has a population of 3,400. A part of Belfast, called Ballymacarrett, belongs to Down, and has a population of 23,917.

Down formed a part of the ancient territory of Dalriada. The old name of the Mourne Mountains was Bann-na-Bolrice. The Dane's Cast in the west, a little to the south of Gilford, is a part of the ancient rampart dividing the Kingdoms of Oriel and Ulidia. Downpatrick Cathedral is built on the site of a Cathedral, one of the most ancient edifices in Ireland, which was destroyed by the Danes, and in which, it is said, the remains of St. Patrick, St. Brigid and St. Columbkille were buried. It was re-erected in 1140, only to be burned during the war of Edward Bruce. It was restored in 1538. In 1790 the present structure was placed on the ruins.

Col. John McAteer, of this city, hails from County Down. He first saw the light of day in Newry. Col. McAteer has made several trips home since he came to Louisville more than forty years ago.

NEWS OF ST. LEO'S.

Next Sunday evening the Rev. J. J. Fitzgerald, the indomitable and hard working pastor of St. Leo's church, Highland Park, will leave to spend a deserved two weeks' vacation with relatives and friends in New York and the East. During his absence the affairs of the parish will be cared for by Dominican Father from St. Louis Bertrand's. Fitzgerald has arranged for a visit to St. Leo's school, which is in a flourishing condition and has over 100 pupils. His vacation, while wishing him a good will, will heartily welcome him home.

JUDGE BOLDRICK'S MISTAKE.

Little by little Louisville is again being crowded with idle and shiftless negroes and complaints are being heard on all sides of their conduct in public places, especially on street cars, their insults to white women being reported very numerous. It must be admitted that since the inauguration of Mayor Head's administration the police have done all in their power to break up the negro crowds who congregate on corners and act in general as if the Grinstead-Poster regime was in control, but they have not met with much encouragement in the Police Court from Judge Boldrick, who does not grasp the situation as his friends had expected. Instead of encouraging the police in their crusade he gives them a grilling, and in the majority of cases if the negroes are fined it is a fine of one or two dollars, which will hardly get them to the work house gate and give a free meal before they are free. A trip through the negro districts would prove very profitable to Judge Boldrick in this administration of justice to this class, which is a detriment to Louisville's prosperity. His present course is only pleasing to the Evening Post, which should be enough to warn him that he is injuring himself and the present administration as well.

A GOLDEN OPINION.

It is very seldom that one sees an editorial worth while in the Cincinnati Enquirer, but this one seems short, to the point and truthful: "Mayor Brand Whitlock, of Toledo, characterizes the agitation over the moving pictures of the Reno fight as a 'spasmodic accession of righteousness over something of little or no consequence,' in contrast to a 'generally supine attitude toward industrial abuses in real need of correction.' Long words, but an accurate statement of the case. The prize fighting evils will correct themselves, in due course, in the few States where still they linger. Abuses of larger public concern call for the firm hand."

WORDS WORTH HEEDING.

During the recent session of the Kentucky State Bar Association Judge Benton, of Winchester, read a paper that was not only of interest to the lawyers, but would be doubly interesting to litigants did space permit its publication in full. Judge Benton goes after what he calls the "Court House Lobby." Not long ago the Kentucky Irish American called attention to the state of affairs existing in and about our own Court House. From the tone of Judge Benton's paper a similar condition prevails in many sections of the State. Judge Benton sounds a note of warning thus:

"It may be a revelation to some members of the Bar Association to be told that in many of the cities and counties of the State there are men, because of some real or self-claimed power to influence the action of juries, whose assistance in connection with jury trials is more eagerly sought by litigants than is the aid of the lawyers who actually try the cases. The services of these men, especially in desperate criminal cases, demand a higher price than is usually paid the attorneys who represent the defendant in court. This statement is not intended as, nor is it, the ranting of a muck-raker, but it is a calm, sober conviction, the result of what has been regrettably observed in some of the best counties in the State. There is no name that so fitly applies to the men who engage in this nefarious business as that of Court House Lobbyists, and no greater duty rests upon the bench and the bar of the State than to promptly put such lobbyists out of business. The countenancing of such practices by attorneys, the failure of the judges to severely condemn them, and utter the most rigorous protests against such practices, will make the effort to administer justice a prodigious farce, dis-credit the profession of law, and bring the courts and court proceedings into shameful disrepute."

Judge Benton also suggests a remedy. He says that public sentiment should be first appealed to, and if that does not afford relief, the old law offense of "embracery" should be revived and vigorously applied. He adds:

"There has been but one reference to that crime by our Appellate Court, and that was almost a century ago. It then approved the definition of the crime given by the oldest law writers as follows: 'Embracery, as where one attempts to corrupt, influence or instruct a jury, or any way to incline them to be more favorable to the one side or the other, by money, letters, promises, threats or persuasions, except only by the strength of evidence, and the arguments of counsel in open court, at the trial of the cause; so also by laboring a juror to appear and act according to conscience, or by indirect means, as where persons procure themselves or others to be sworn on a jury to serve the one side.'"

Judge Benton's advice is well worth pondering over.

SUCCINCTLY STATED.

At the recent meeting of the Catholic Educational Society at Detroit, the Most Rev. John J. Glennon uttered potent truths in a succinct way. He told his auditors:

"The Catholic does not build his schools to fight Protestantism. The Catholic wants no State church. He is opposed to it. The Catholic will never demand from the State one cent to help in Catholic propaganda or as recompense for teaching Catholic doctrine. The Catholic expects that for secular teaching the State, if it pays for any, should pay for all."

The Buffalo Catholic Union and Times hands a clever but timely jolt to Rockefeller in the following: "In Cleveland last Sunday Brother Rockefeller declared that 'the time has come for a universal religion.' The oil king is away late. The time for a universal religion came with Christ. He established it. But man, who is so much wiser than his Maker, would not accept Christ nor live in accord with his teachings. Warring sects are not conducive to universality."

The editor of the St. Louis Church Progress declares: "Sometimes we hear it said that we have too many Catholic fraternal societies. One wouldn't think so to read the death notices in our daily papers and note the number of Catholics thus shown to be afflicted with fraternal societies that are not Catholic."

Men and women worry over their condition in life. Yet if either would attempt to walk off the feeling they would encounter people much worse off than themselves. If you are of the worrying kind look around and you will find some people much worse off than yourself.

His Majesty King George has acknowledged the letter from the American Catholic Federation regarding the accession oath, and returns thanks for the kind wishes and prayers for his reign.

USE FOR OLD STAMPS.

The White Fathers, who have established their mother house in Quebec, have appealed to Catholics everywhere for cancelled postage stamps. These stamps are sold and the money that accrues is used in purchasing the freedom of slaves in Africa. During the past year thirty-one negro boys and girls were saved from slavery in this manner, but it required nearly 15,000,000 cancelled stamps to secure their liberty. All charitably inclined persons are urged to save their cancelled stamps and to forward them to the Rev. Father Director of the African Missions, 37 Ramparts street, Quebec, Can.

PRACTICAL ACCOUNT.

Pike's Peak in Colorado is a point of great scenic interest. And it may be turned to very practical account. It is stated that a wireless telegraph station will soon be established on the peak, and that by using this for relay purposes it may be possible to transmit messages between the Atlantic and the Pacific coasts. This is "going some" since the days of long-distance communication "around the Horn" or by means of the pony express across the plains and mountains.

LITTLE ITALY.

**Feast of Our Lady of
Mount Carmel in
New York.**
The Italian colony in New York
celebrated the feast day of Our Lady
of Mount Carmel in royal style from
midnight last Friday until the fol-
lowing midnight. In the district
known as Little Italy, and which
covers about eighteen blocks, every
house was decorated with flags and
multicolored lanterns and electric
lights. From early Saturday morn-
ing until noon masses were in con-
tinual progress at the Church of Our
Lady of Mount Carmel, and fully 50,
000 people attended.
Visitors streamed in from all sec-
tions. At 6 o'clock on Saturday eve-
ning a parade headed by the members
of the Society of Our Lady of Mount
Carmel started from the church. Men
and women planned money and
jewelry to banners carried by the
marchers. The festivities closed with
a brilliant display of fireworks.

CARDINAL'S BIRTHDAY.
Today Cardinal Gibbons is seventy-
six years old, but his celebration will
be a quiet one. Next year he will
celebrate a double jubilee, the fiftieth
anniversary of his priesthood and his
twenty-fifth year as Cardinal. Cardi-
nal Gibbons is popular with the peo-
ple of all creeds and is a veritable
shepherd to his own flock.

INCREASE IN SALARIES.
The Louisville & Nashville Rail-
road Company has increased the
wages of its employees in the Louis-
ville shops 6 per cent. This was a
welcome surprise and was unknown
to the 5,000 men effected until they
received their pay envelopes on Mon-
day. The increase went into effect
June 1.

W. O. W. TO CELEBRATE.
Beechwood Socials, Camp 11 of the
Woodmen of the World, will give
their first ice cream festival and
dance at Fisher's Garden, 1127 Goss
avenue, on Thursday evening, Aug-
ust 18. Tickets are only fifteen
cents. Schneider's union orchestra
will furnish the music. All who at-
tend are promised a good time.

LATEST IN STYLES.
Turbans are flat and broad.
Square yells, with embroidered
borders, are much in vogue and are
becoming.
An effective Leghorn hat has a
crown of yellow roses and a cluster
of the same flowers under the left
brim.
A morning blouse of any white ma-
terial may be set out by a yoke and
cuffs of the new mustard shade, or
of blue and should be worn with a
belt of the same shade.
Attractive waists for summer are
made of eyelid embroidery or of
white linen embroidered in brown
dots. Belts, ties and stockings should
match the color of the dots.

Evening gowns are simple. They
show the influence of the peasant
style. Instead of being on splendid
lines with gorgeous ornamentation
they are unusually simple.
Exquisite are many of the Dresden
dower striped muslins. Some of the
blouses of this material are trimmed
with frills of sheer white muslin—
bordered by tiny colored blinds.

tary to Hon. Swager Sherley, would

The Louisville baseball team will
again try conclusions with Mike
Kelly's St. Paul team in a double
header and Manager Del Howard will
endeavor to capture both games,
by means of which he hopes to bring
the team out of last place, which
would have been accomplished this
past week but for a series of mis-
fortunes, the principal one being the
crippling of little Jimmy Doyle, who
has been a tower of strength to the
team both in fielding and in hitting.
The hitting and fielding of Doyle,
Howard and Stanley has been mainly
the cause of the club's big improve-
ment, but praise of Stanley is always
unnecessary as this sterling player
is a universal favorite with everybody
singing his praises.

Every fan in Louisville, male and
female, should be on hand for the
double header with Minneapolis to-
morrow and come prepared to root,
as every legitimate effort should be
made to defeat the team whose sup-
porters have been roasting this town
all season, claiming the pennant last
year was won by foul methods and
that the fans bluffed the umpires out
of games. Furthermore it was stated
that the Minneapolis players always
exert themselves to defeat Louisville
by one-sided scores for revenge. So
it behooves every fan to be on hand
and give them the best we have in
the shop.

GERMAN ORPHAN PICNIC.

Committees are busy making ar-
rangements for the annual picnic for
the benefit of St. Joseph's Orphan
Asylum, which will be given on the
spacious orphanage grounds on
Wednesday, August 16. Nothing will
be left undone by the St. Joseph Or-
phan Society to make this the big-
gest and best picnic ever given in
Louisville.

MOTION PICTURES.

With the electric fans cooling the
atmosphere the Casino, Princess and
Columbs continue their hold upon
the public and are well patronized.
The bills for next week comprise
films of more than ordinary interest,
being the latest productions and both
instructive and amusing. At each
will be heard the illustrated song
hits of the day.

ENJOYING THEMSELVES.

Joseph P. Graine and William F.
Leising are making a tour of the
East, including Niagara Falls, Pitts-
burg, Philadelphia and Washington.
On their return they will join their
colleagues of the Criterion Club, who
have pitched their tent in a shady
spot on Aubrey's farm at the foot
of Market street.

CONDITION IMPROVED.

Mrs. Margaret Ford, the venerable
and highly esteemed mother of ex-
Councilman Lawrence Ford, who was
thought to be critically ill at her
home on West Sixth street in Jeffers-
onville, has improved greatly, and
New York relatives who were wired
of her condition have been notified of
the change.

SUNSET EXCURSION.

Mackin's Social Club will give one
of its delightful sunset excursions
next Saturday evening. The steamer
Columbia, which will carry the ex-
cursionists, will leave the foot of
First street at 5:30 o'clock. Tuell's
orchestra will furnish the music for
dancing. A number of good vaude-
ville turns will be presented.

SISTERS OF CHARITY.

The retreat for the Sisters of
Charity of Nazareth was brought to
a close on Tuesday. It was conducted
by the Rev. Father Mark, C. P.
Toward its close the Rev. Father
Daniel McGuire, Prior of Sacred
Heart Retreat, Louisville, went to
Nazareth to assist him.

FORTY HOURS' PRAYER.

The beautiful devotion of Forty
Hours' prayer will begin at Holy
Cross church at the late mass to-
morrow, and will close with a high
mass on Tuesday. The Rev. Father
Sheridan will be assisted by several
local priests tomorrow and Tuesday.

McDONOGH AS PROSECUTOR.

Attorney William P. McDonogh
has been acting as Prosecutor in the
City Court, filling the place of Harry
Robinson, who has gone to Dawson
Springs for a vacation of two weeks.
Will's friends predict that he will
yet occupy the bench as Judge.

FOR ST. FRANCES OF ROME.

The congregation of St. Frances of Rome church will give a lawn party on the church grounds on the afternoons and evenings of Wednesday and Thursday, August 3 and 4. Euchre games will be called at 2:30 o'clock in the afternoon. An appetizing luncheon will be served from 5 until 8 o'clock. This will enable the players to remain for the evening games and other amusements. A good time is promised all who attend. The proceeds of the lawn party will be devoted to enlarging and improving the parochial school building. The management of the party is in the hands of the following committee: Charles F. Breckel, T. H. Merimee, Elmore Sherman, George F. Martin, Peter Helm, B. W. Obermeier, Mrs. J. X. Kessack, W. J. Webb, Dr. Mehlner, J. D. Baldez and Misses Minnie West, Mary Shockey and Rosa Shea.

FALLS CITY CHAMPIONSHIP.

The game tomorrow between the Portland and Glenwood clubs at Portland Park is the first of a three-cornered series between the above named two and the Butchertown team for the much disputed championship of the three Falls Cities, and both teams will endeavor to get off with a flying start by winning the opening contest. All three teams have a host of followers and rooters who believe their favorite is the best, and an abundance of rooting will be heard at these games. Capt. Harry Lally, of Portland, will use Doherty and Brady for his battery, while Ramsey and Vetter will work for Glenwood.

MACKIN COUNCIL.

Mackin Council's meeting room was thronged Monday night, and there was great enthusiasm when the "Back to Town" Committee turned over \$1,000 cash and reported that there was still more to come. Four members were reported on the sick list, but none are in serious condition. President Kenney presided and a number of encouraging reports were received. The undertaking to provide a memorial window for St. Cecilia's church is pushed, and it is expected the lawn party will realize the fund that is lacking.

COUNTRY FETE.

The country members of St. George's congregation will give a lawn party for the benefit of the new church building fund at the residence of William A. Jansing, on the Eighteenth street road, about three blocks from the city limits, next Tuesday evening. They wish to invite their friends, as well as all friends of the parish, to this festival, which will be a really enjoyable affair.

IRELAND.

Record of the Most Important of the Recent Events Collected From Exchanges.

James McCullagh, J. P., of Glasslough, County Monaghan, left a personal estate of over \$60,000.

Reports show that the potato blight has made its appearance in a great many districts in the west of Ireland.

The continuous rains have injured crops in the Ardee district, and in St. Mary's church prayers were offered for favorable weather.

Rev. J. Lennon, of Togher, has been appointed to Termonfeckin, in place of Father Gogarty, who has been transferred to Ardee.

At the last meeting of the Castlebar Urban Council, the Clerk, M. P. Daly, was formally reinstated in his position, after a suspension of six months.

G. H. Shannon, of Birr, has been appointed Resident Magistrate, to be stationed at Dundalk, succeeding the Hon. M. de Vere Pery, transferred to Wicklow.

A man named Fris Murphy, of Monaghan, who attempted to commit suicide by throwing himself into the canal, has been declared insane and committed to the asylum.

Joseph Carroll, the well known Newry solicitor, has been appointed a Resident Magistrate by the Lord Lieutenant. He is a Catholic and a Nationalist, highly respected by all classes in South Down.

John Carmody, R. D. C., Listowel, has been sentenced to three months' imprisonment, in default of finding bail, for threatening his brother-in-law, John Dillane, with serious injury. He went to jail.

Much regret followed news of the death of Bernard Duffy, an old and respected resident of the Lough Eglis district. He was a near relative of the late Owen Duffy, champion hammer thrower of the world.

Hugh Hardy, one of the best known residents of Castleblaney, who for many years carried on business on York street, is dead after a lingering illness. His funeral was one of the largest seen there for some time.

Thirty-six tenants have been reinstated or provided with new holdings in County Cavan since the passage of the evicted tenants' act, and free grants amounting to about \$21,000 have been sanctioned in thirty-four cases.

The body of Anne Agnew, wife of a Drumacavy farmer, was found in a drain at Rahans. Deceased had been to the market in Carrickmacross, and it appears she missed her footing and fell from a little bridge that spanned the drain.

Deep regret was occasioned among a wide circle of friends by the death in his forty-sixth year of Thomas Fitzgerald, J. P., which occurred recently at his residence, Mallardstown, County Kilkenny. Deceased was the second son of the late James Fitzgerald, at one time Coroner for North Kilkenny.

The Most Rev. Dr. Healy has promoted the Very Rev. Canon Thomas F. Macken, of Tuam, to the pastoral charge of Dunmore, in room of the late Very Rev. Canon Lynskey. Canon Macken is one of the most learned and accomplished priests of the archdiocese of Tuam, and his appointment to such an important parish is a very popular one.

Edward Coleman, a young carpenter and native of Channonrock, near Inniskeen, was drowned in Corballis lake, near Smithborough, County Monaghan. He had gone to bathe and must have been seized with a cramp. Great sympathy was felt for the parents, and the funeral was the largest seen in that part of the country for a number of years.

News of the appointment of Very Rev. Dr. Finnegan, of Baltimore, Vicar Capitular of the Diocese, to the See of Kilmore, in room of the late Most Rev. Dr. Boylan, was received with great satisfaction throughout the diocese, where he has spent his entire ministerial career. He is held in the highest esteem by all sections of the community by reason of his genial disposition, his interest in everything tending towards the welfare of the people, and his sterling Christian character.

VICTIM OF ACCIDENT.

The Shelbyville community is mourning the death of Cornelius J. Sullivan, who died on Thursday of last week. Death resulted from lockjaw, which developed after he had stepped on a rusty nail. The deceased was forty-three years old, and had been a resident of Shelbyville since boyhood. He was held in high esteem there and had served the city as City Engineer and as Chief of Police. He is survived by his wife, who was Miss Mayne Duborg, and six children. Three sisters also survive. They are Mrs. Edward D. Shinnick, of Shelbyville; Mrs. G. A. Lee, of Middletown, and Mrs. John McClusky, of Cumberland, Md. His funeral took place from the Church of the Annunciation on Saturday. The Rev. Father John H. Riley celebrated the requiem mass, and preached the sermon in which he paid fitting tribute to the worth of the deceased.

RIVERVIEW.

Riverview Park, nature's beauty spot, will start tomorrow what should prove one of the most interesting weeks of its season. With a striking vaudeville and the popular park band concerts, a pleasing feature will be the appearance of Miss Edna Whistler, the Louisville soloist who has been received everywhere with high favor. Added to the numerous attractions will be James M. Tynell, the Irish swimming champion, who will give daily exhibitions in the new pool.

the Past Week—General
News Notes.

Division 4 will be the first to receive reports from the National convention.

The last division meeting this month will be that of Division 4 on Monday night.

Indiana was fully represented by State and county officers at the National convention.

All the Indiana auxiliaries are making extensive arrangements for attending the State convention at Terre Haute next month.

Our State convention at Ashland will be as important as any ever held in Kentucky, and its deliberations will require at least two days.

The Hibernians of Tennessee suffered a severe loss by the death of Father Larkin, for years a chaplain and earnest worker for the order.

During the past two years the membership has increased 11,600, while the value of properties of the order shows a gain of over \$500,000.

Irish-American day at Fontaine Ferry Park, under the auspices of Division 1, on August 10, will be a record-making event for that resort.

With fair weather Phoenix Hill should be taxed to its capacity Monday night. Every member of the order and all his friends should be there.

All the divisions of Indianapolis assisted at the Lady of Lourdes church festival held this week. Thursday night was set especially for the Hibernians.

Milwaukee Hibernians are now prosperous, and are making effort to have their 1910 celebration exceed that of any former year. It will take place August 6.

The committee arranging for Division 1's Irish-American day at Fontaine Ferry will meet Tuesday night at the office of Treasurer Thomas Keenan.

Division 2 announces a big picnic for August 29 at Phoenix Hill Park. Con Ford and the committee will arrange an entirely new and original programme of amusements.

Milwaukee has the largest division of the Ancient Order in this country, with about 700 members, among whom are many of the city's leading professional and business men.

Every Hibernian in Louisville should turn out Monday night to make the County Board outing at Phoenix Hill Park surpass the old-time gatherings the order held there.

The Ladies' Auxiliary of Minneapolis initiated a large number of new members Monday night. Members from all the auxiliaries in the city were present to witness the ceremony.

A large crowd will enjoy the down-the-river excursion to be given by Division 3 on August 29. Messrs. John Riley, Hugh Hourigan and John Karmen are arranging a fine musical programme in addition to a number of novel features.

The Ladies' Auxiliary of St. Paul presented National President Matthew Cummings and National President Anna Malla with souvenir spoons at the reception tendered the Eastern delegates en route to the national convention.

The Hibernians of Superior, Wis., are arranging a grand reception for the Fathers Cunningham, who are visiting the Emerald Isle, and are expected to return about September 1. They were born in Ireland, and their mother still lives there in the County Galway.

Some day, declares the Milwaukee Catholic Citizen, the Ancient Order will build a monument to Prof. Michael G. Rohan. His work in promoting the study of Irish history is more important than the work of many patriots known in two worlds.

LEXINGTON CITIZEN DEAD.

Hon. Patrick Slavin, a retired business man and for years one of the most prominent Democratic politicians in the Bluegrass region, died at his home in Lexington last Saturday morning. His funeral took place from St. Paul's church on Monday. The requiem mass was celebrated by the Rev. Father De Waegenaer, and many old friends, irrespective of creed or politics, attended the obsequies. The deceased was born in Ireland eighty years ago, but had made his home in Lexington since he was twenty-five years old. He made a comfortable fortune in the grocery business before he retired a few years ago. He also served both as Councilman and Alderman. Five children survive him. They are Mrs. Klair, wife of Hon. William F. Klair; Mrs. Kirby, of Pendleton county; James Slavin, John Slavin and Mrs. Boorhook, all of Lexington.

PICNIC, EUCHRE, LOTTO.

Next Wednesday at Phoenix Hill Park there will be a grand picnic, euchre and lotto entertainment for the benefit of St. Paul's church and school, of which Rev. Thomas York is the pastor. The euchre and lotto games will begin at 3 and 8 o'clock, and 100 prizes will be given away. A feature will be the grand chorus of 300 children and a fine musical programme. The ladies will serve an excellent summer supper, and in addition coffee, sandwiches and other refreshments. The admission fee is only ten cents, and for the ticket holders there are twenty valuable prizes to be awarded.

FONTAINE FERRY'S OFFERING.

Next week's vaudeville bill at Fontaine Ferry will be headed by Valdon, heralded as the greatest magician since the days of the elder Herrmann. Other attractions will be found in Butler and Bassett, champion ice skaters; John R. Gordon & Co. in a comedy sketch, "What Would You Do?" Columbia Comedy Four, singers and fun-makers, and Arthur Rigby, the favorite minstrel. Hazel Spangler, a pretty young singer, will be the new vocal soloist with Gregg's band.

LADIES' AUXILIARY
MONDAY, JULY 25.

ADMISSION 10 CENTS.

Come and hear the music of Ireland, which will be rendered by Prof. Collins' Orchestra.
